

Midwest Antique Fruit Jar & Bottle Club

The Midwest Antique Fruit Jar & Bottle Club is an organization of people interested in collecting and learning about fruit jars and bottles. While the club is headquartered in the Midwest (Indiana to be specific), we have members from all over the country and some in Canada. Club activities include:

- Well-attended monthly meetings (typically at Minnetrista)
- The famous annual Show & Sale at the Horizon Center
- Award-winning monthly club newsletter *Glass Chatter*
- Significant lending Library of Bottle and Jar books
- Informative Website: <https://fruitjar.org>

The club is an affiliate of Minnetrista, and the club is a proud member of the Federation of Historical Bottle Collectors.
